## RISK FACTORS

The risk factors set forth below are indicative only and are not intended to provide a complete analysis of all risks as perceived in relation to the Offer or associating with the Acquirer and/or the PACs. The risk factors set forth below may not relate to the present or future business or operations of the Target Company or any other related matters, and are neither exhaustive nor intended to constitute a complete or comprehensive analysis of the risks involved in or associated with the participation by a Eligible Public Shareholder in this Offer, but are merely indicative. The Eligible Public Shareholders are advised to consult their respective stock brokers, investment consultants, and legal, tax or other advisors of their choice, in order to analyse and understand all the risks with respect to their participation in this Offer.

### A. Risks relating to the Underlying Transaction

1. The Underlying Transaction (*as defined below*) is subject to the terms and conditions (including fulfillment of conditions precedent agreed therein) in the SPA (*as defined below*), and if these conditions are not satisfied or waived, or any termination event occurs, the Underlying Transaction may be terminated, in accordance with the terms of the SPA. The Underlying Transaction is also subject to completion risks as would be applicable to similar transactions.

### B. Risks relating to the Offer

1. To the best of the knowledge of the Acquirer and/or the PACs, as on the date of this LOF, there are no statutory approvals required by the Acquirer and/or the PACs to complete the acquisition of the Offer Shares under this Offer. However, in case any statutory approvals are required by the Acquirer and/or the PACs prior to completion of the Offer, this Offer shall be subject to such approvals being obtained. In the event that any statutory approvals required are not obtained or are finally refused or are otherwise not received for reasons outside the reasonable control of the Acquirer and/or the PACs, the Acquirer and/or the PACs may withdraw the Offer under Regulation 23 of the SEBI (SAST) Regulations.
2. In case of delay in receipt of any such statutory approvals, as per Regulation 18(11) of the SEBI (SAST) Regulations, SEBI may, if satisfied that non-receipt of such approvals was not attributable to any wilful default, failure or neglect on the part of the Acquirer or the PACs to diligently pursue such approvals, grant an extension of time for the purpose of completion of this Offer, subject to the Acquirer and/or the PACs agreeing to pay interest to the Eligible Public Shareholders for delay, at the rate of 10% as specified in Regulation 18(11A) of the SEBI (SAST) Regulations. Provided that in case the delay is not attributable to any act of omission or commission of the Acquirer, or due to the reasons or circumstances beyond the control of Acquirer, SEBI may grant waiver from the payment of interest. Where the statutory approvals extend to some but not all the Eligible Public Shareholders, the Acquirer and/or the PACs will have the option to make payment of the consideration to such Eligible Public Shareholders in respect of whom no statutory approvals are required in order to complete this Offer.
3. NRIs, OCBs and other non-resident holders of the Equity Shares, if any, must obtain all approvals required to tender the Equity Shares held by them in this Offer (including without limitation, the approval from the RBI, if applicable) and submit such approvals along with the Form of Acceptance cum-Acknowledgement and other documents required to accept this Offer. In the event such approvals are not submitted, the Acquirer and/or the PACs shall reject such Equity Shares tendered in this Offer. Further, if holders of the Equity Shares who are not persons resident in India (including NRIs, OCBs and FPIs) had required any approvals (including from the RBI or any other regulatory body, if applicable) in respect of the Equity Shares held by them, they will be required to submit such previous approvals that they would have obtained for holding the Equity Shares, along with the other documents required to be tendered to accept this Offer. If such previous approvals and/or relevant documents are not submitted, the Acquirer and/or the PACs shall reject such Equity Shares tendered in this Offer. If the Equity Shares are held under general permission of the RBI, the non-resident Eligible Public Shareholder should state that such Equity Shares are held under general permission, furnish a copy of the relevant notification / circular pursuant to which the Equity Shares are held and clarify whether the Equity Shares are held on repatriable basis or non-repatriable basis.
4. In the event that: (a) regulatory or statutory approvals required, if any, are not received in time, or (b) there is any litigation leading to a stay / injunction on the Offer or that restricts / restrains the Acquirer / PACs from performing their obligations hereunder, or (c) SEBI instructing the Acquirer / PACs not to proceed with the Offer, then the Offer process may be delayed beyond the schedule of activities indicated in this LOF. Consequently, the payment of consideration to the Eligible Public Shareholders whose Equity Shares are accepted under the Offer as well as the return of Equity Shares that have not been accepted under the Offer by the Acquirer / PACs may be delayed.

5. In the event of the number of Equity Shares validly tendered by the Eligible Public Shareholders under this Offer is more than the Offer Size, the acquisition of valid shares from the shareholders shall be done on a proportionate basis, as detailed in Part 8 of this LOF, and hence there is no certainty that all the Equity Shares tendered by the Eligible Public Shareholders in the Offer will be accepted.
6. The Equity Shares tendered in the Offer will be held in trust by the Registrar to the Offer, on behalf of the Eligible Public Shareholders who have tendered their Equity Shares until the completion of the formalities of this Offer and the Eligible Public Shareholders who have tendered their Equity Shares will not be able to trade in such Equity Shares held in trust by the Registrar to the Offer during such period, even if the acceptance of the Equity Shares in this Offer and/or dispatch of payment consideration are delayed. Further, during such period, there could be fluctuations in the market price of the Equity Shares that may adversely impact the Eligible Public Shareholders who have tendered their Equity Shares in this Offer. Accordingly, the Acquirer and/or the PACs makes no assurance with respect to the market price of the Equity Shares (including during and after completion of, the Offer) and disclaims any responsibility with respect to any decision by any Eligible Public Shareholder on whether or not to participate in the Offer. It is understood that the Eligible Public Shareholders will be solely responsible for their decisions regarding their participation in this Offer.
7. It may be noted that the Acquirer is not a person resident in India under applicable Indian foreign exchange control regulations. The mechanism for acquisition of Equity Shares of the Target Company through stock exchange in terms of SEBI circular 5 CIR/CFD/POLICYCELL/2015 dated 13 April 2015 and SEBI circular CFD/DCR2/CIR/P/2016/131 dated 9 December 2016 is not available for this Offer due to the restrictions under Foreign Exchange Management (Non-Debt Instruments) Rules, 2019 and other applicable laws. Accordingly, the Eligible Public Shareholders whose Equity Shares have been validly tendered and accepted may be subject to applicable capital gains tax and securities transaction tax will not be applicable to the Equity Shares accepted in this Offer. The Eligible Public Shareholders are advised to consult their respective tax advisors for assessing the tax liability pursuant to this Open Offer, and in respect of other aspects such as the treatment that may be given by their respective assessing officers in their case, and the appropriate course of action that they should take. The Acquirer and the Manager do not accept any responsibility for the accuracy or otherwise of the tax provisions set forth in this Letter of Offer.
8. The Eligible Public Shareholders who have tendered Equity Shares in acceptance of the Offer shall not be entitled to withdraw such acceptance during the Tendering Period, in terms of Regulation 18(9) of SEBI SAST Regulations, even if the acceptance of the Equity Shares in this Open Offer and/or dispatch of consideration is delayed.
9. The Acquirer, PACs and the Manager to the Offer accept no responsibility for the statements made otherwise than in the PA, the DPS, DLOF and this Letter of Offer, and anyone placing reliance on any other source of information (not released by the Acquirer or the PACs or the Manager to the Offer) would be doing so at his/her/it's or their own risk.
10. This LOF has not been and is not intended to be filed, registered or approved in any jurisdiction outside India. Recipients of this LOF who are resident in jurisdictions outside India should inform themselves of and comply with all applicable legal requirements. This Offer is not directed towards any person or entity in any jurisdiction or country where the same would be contrary to applicable laws or regulations or would subject the Acquirer and/or the PACs or the Manager to the Offer to any new or additional registration requirements. This is not an offer for sale, or a solicitation of an offer to buy, in the United States of America and cannot be accepted by any means or instrumentality from within the United States of America.
11. The Eligible Public Shareholders are advised to consult the stock broker, investment consultants, and legal, financial, tax, or other advisors and consultants of their choosing, for assessing further risks with respect to their participation in the Offer and related transfer of Equity Shares of the Target Company to the Acquirer. The Acquirer and/or the PACs do not accept any responsibility for the accuracy or otherwise of the tax provisions set forth in this LOF, and all shareholders should independently consult their respective tax advisors.
12. For the purpose of disclosures in the PA or DPS or DLOF or this LOF in relation to the Target Company and/or the Seller, the Acquirer, PACs and Manager have relied on the information published or provided by the Target Company and/or the Seller, as the case may be, or publicly available sources and have not independently verified the accuracy of details of the Target Company and/or the Seller. The Acquirer and/or the PACs do not accept any responsibility with respect to any misstatement by the Target Company and/or the Seller, as the case may be, in relation to such information.

### **C. Risks relating to the Acquirer and the PACs**

1. The Acquirer and the PACs do not provide any assurance in respect of market price of Equity Shares before, during or after this Offer, and expressly disclaim its responsibility or obligation of any kind (except as required under applicable law) with respect to any decision by any shareholder on whether to participate or not participate in the Offer.
2. The Acquirer and the PACs make no assurance with respect to the financial performance or the future performance of the Target Company.
3. The Acquirer and the PACs make no assurance with respect to their investment / divestment decisions relating to their proposed shareholding in the Target Company.
4. As per Regulation 38 of the SEBI (LODR) Regulations (*as defined below*) read with Rule 19A of the SCRR (*as defined below*), the Target Company is required to maintain at least 25% (twenty five percent) public shareholding, as determined in accordance with SCRR, on a continuous basis for listing. Pursuant to completion of this Open Offer and the Underlying Transactions, in the event that the public shareholding of the Target Company falls below the minimum public shareholding requirement as per SCRR, and the SEBI (LODR) Regulations, the Acquirer and the PACs (in a manner mutually agreed with the Seller and Mr. Rajpal Singh Kochhar, another promoter of the Target Company) undertake to take necessary steps to bring down the non-public shareholding in the Target Company in accordance with the SCRR, the SEBI (LODR) Regulations, the SEBI (SAST) Regulations and other applicable SEBI guidelines / regulations. i.e. to bring down the non-public shareholding to 75% or lower within 12 (twelve) months from the date of such fall in the public shareholding to below 25%, through permitted routes and any other such routes as may be approved by SEBI from time to time. Any failure to comply with the conditions of aforesaid regulations could have an adverse effect on the price and tradability of the Equity Shares of the Target Company.
5. The information pertaining to the Target Company and/or the Seller contained in the PA, the DPS, DLOF, this Letter of Offer and any other advertisement / publications made in connection with the Offer has been compiled from information published or provided by the Target Company or the Seller, as the case may be, or publicly available sources. The Acquirer and the PACs do not accept any responsibility with respect to any misstatement by the Target Company and/or the Seller in relation to such information.
6. The Acquirer and Manager to the Offer do not provide any assurance with respect to the market price of the Equity Shares of the Target Company before, during or upon the completion of this Open Offer.

## 3. DETAILS OF THE OFFER

### 3.1 Background of the Offer

- 3.1.1 This Open Offer is a mandatory offer being made in compliance with Regulation 3(1) and 4 and other applicable provisions of the SEBI (SAST) Regulations, pursuant to execution of the SPA between the Acquirer and the Seller, on February 21, 2022.
- 3.1.2 On February 21, 2022, the Acquirer along with PACs have entered into a SPA with the Seller for acquisition of 1,14,55,500 (One Crore Fourteen Lakhs Fifty Five Thousand Five Hundred) equity shares ("**Sale Shares**"), constituting 43.73% of the Voting Share Capital of the Target Company at price of INR 235/- (Indian Rupees Two Hundred and Thirty Five only) per Equity Share subject to the satisfaction of conditions mentioned in the SPA.

Pursuant to proposed acquisition of the aforesaid equity shares in terms of the SPA, the aggregate shareholding of the Acquirer and the PAC's in the Target Company would exceed the threshold limit prescribed under Regulation 3(1) of the SEBI (SAST) Regulations. Further, in terms of the SPA and post successful completion of the Open Offer, the Acquirers would have control over the Target Company, as prescribed under Regulation 4 of the SEBI (SAST) Regulations.

However, till such time as the existing promoters continue to be classified as promoters of the Target Company, in terms of the rights provided to the existing promoters under Shareholder's Agreement, from a regulatory perspective, the existing promoters and the Acquirer Group will be in joint control of the Target Company.

A tabular summary of the underlying transaction ("**Underlying Transaction**") is set out below:

		Number of Equity Shares	% vis-à-vis Equity Share / Voting Share Capital			
Direct Acquisition	Direct acquisition of 1,14,55,500 Equity Shares of the Target Company representing 43.73% of the Expanded Voting Share Capital of the Target Company, pursuant to execution of the SPA entered into between the Acquirer along with PACs and the Seller.	1,14,55,500	43.73%	₹ 269.20/-	Cash	Regulations 3(1) and 4 of the SEBI (SAST) Regulations

3.1.3 The SPA also sets forth the terms and conditions on which the Seller has agreed to sell, and the Acquirer has agreed to purchase, the Sale Shares, and the respective rights and obligations of the Seller and the Acquirer in this respect.

As per Regulation 38 of the SEBI (LODR) Regulations read with Rule 19A of the SCRR, the Target Company is required to maintain at least 25% (twenty five percent) public shareholding, as determined in accordance with SCRR, on a continuous basis for listing. Upon completion of the Offer and the Underlying Transaction, if public shareholding of the Target Company falls below the minimum level of public shareholding as required to be maintained by the Target Company as per the SCRR and the SEBI LODR Regulations, the Acquirer and the PACs (in a manner mutually agreed with the Seller and Mr. Rajpal Singh Kochhar, one of the promoter of the Target Company) undertake to take necessary steps to facilitate the compliance by the Target Company with the relevant provisions prescribed under the SCRR as per the requirements of Regulation 7(4) of the SEBI (SAST) Regulations and/or the SEBI (LODR) Regulations, within the time period stated therein, i.e., to bring down the non-public shareholding to 75% or lower within 12 (Twelve) months from the date of such fall in the public shareholding to below 25%, through permitted routes and any other such routes as may be approved by SEBI from time to time.

- 3.2.22. Further, under the Consolidated FDI Policy Circular of 2020 dated October 15, 2020 read with Foreign Exchange Management (Non-debt instrument) Rules, 2019 (“FDI Rules”), as amended from time to time: (i) the applicable sector of the Target Company is ‘Pharmaceuticals’; and (ii) for a foreign investment in ‘brownfield pharmaceuticals’ foreign investments upto 74% of the share capital falls under the automatic route, and for any foreign investment beyond 74% government approval is required. In light of the existing shareholding pattern of the Target Company, and upon completion of the open offer and the acquisition of shares under the SPA, the foreign investment in the Target Company will be below 74% hence will not require government approval and the same falls within the automatic route. All the requirements for foreign investment in the Pharmaceuticals sectors under the FDI Rules have been complied with / will be complied with at the applicable time.
- 3.2.23. The takeover and change in control is in line with Articles of Association and Memorandum of Association of the Target Company. The Memorandum of Association and Articles of Association of the Target Company do not restrict the takeover and change in control pursuant to the SPA.
- 3.2.24. Amendment of Articles of Association of the Target Company is proposed to be effective on completion of the Underlying Transactions:

The amended and restated Articles of Association shall be divided in two parts i.e. Part A and Part B. The provisions of Part A of the amended and restated Articles of Association shall consist of the existing Articles of Association and shall apply to all the matters to which they shall pertain, to the extent, and only in so far, such provisions are not inconsistent with the special provisions of Part B. The provisions of Part B of the amended and restated Articles of Association shall consist of the special provisions for inter-se governance and shareholder rights in relation to the Target Company agreed in the SHA entered into between the Target Company, the Seller, Mr. Rajpal Singh Kochhar (other promoter of the Target Company) and the Acquirer Group, which shall be in addition to all other rights that the shareholders of the Company shall have under Part A of the Articles of Association and under applicable laws. Further, the provisions of Part B of the amended and restated Articles of Association shall become effective only from the date of consummation of the transaction contemplated under the Clause 7 (Completion) of the SPA in accordance with the terms and conditions of the SPA.

In case the Board of the Target Company do not approve the amended and restated Articles of Association of the Target Company, then in terms of the SPA, the Acquirer Group may, at its option and sole discretion, chose to undertake any of the following: (a) waive in writing, in whole or in part, the requirement of Board approval of, and requirement to convene a shareholders meeting for approving the amended and restated Articles of Association; (b) proceed to completion of the transaction contemplated under the SPA to the extent practicable; and/or (c) the extend the date of completion of the transaction contemplated under the SPA by such period as may be mutually agreed between parties in writing. The Board of the Target Company on May 13, 2022 has approved the amended and restated Articles of Association of the Target Company, and in terms of the SPA, has called for convening the extra-ordinary meeting of the shareholders of the Target Company on June 17, 2022 to consider and approve the amended and restated Articles of Association effective from the completion of the Underlying Transaction.

The approval or otherwise of the restated articles of association has no impact on the Acquirer Group’s obligation to undertake and complete the Open Offer. The approval of the Board and the requirement to convene a shareholders meeting, and for the Seller to vote in favour of the necessary resolutions at such meeting held to approve the amended and restated articles is a condition precedent to the Acquirer Group’s obligation to acquire the shares from the sellers under the SPA. However this will have no bearing on the Acquirer Group’s obligation to complete the Open Offer.

### **3.3 Object of the Acquisition**

- 3.3.1 The prime objective of the Acquirer is to have substantial holding of shares and voting rights accompanied with the acquisition of control of the Target Company, however, till such time as the existing promoters continue to be classified as promoters of the Target Company, in terms of the rights provided to the existing promoters under Shareholder’s Agreement, from a regulatory perspective, the existing promoters and the Acquirer Group will be in joint control of the Target Company. The Acquirer has deposited the requisite amount in escrow for the purpose of the Open Offer. The Acquirer shall act on the SPA and complete the acquisition of shares or voting rights in, or control over the Target Company as contemplated hereinabove, on the earlier of: (a) expiry of the period prescribed by the applicable regulations for completion of the Open Offer (and one business day immediately after the completion of the Open Offer; or (b) by depositing 100% (one hundred percent) of the total consideration payable under the Offer in the escrow in the manner prescribed under the SEBI (SAST) Regulations if the Open Offer does

not complete within 26 (twenty-six) weeks from February 21, 2022; or (c) such other date as may be mutually decided by the parties to the SPA.

- 3.3.2 The Acquirer may diversify/change the business activities in the future with the prior approvals of the shareholders and any other approvals as may be required under the law. Depending on the requirements and expediency of the business situation and subject to the provisions of the Companies Act, 2013, Memorandum and Articles of Association of the Target Company and all applicable laws, rules and regulations, the Board of Directors of the Target Company will take appropriate business decisions, from time to time, to improve the performance of the Target Company. The Acquirer will work with the Target Company's management in building the business, and will also look to augment and add personnel to the management team of the Target Company depending on business requirements. To this end and to incentivise eligible employees of the Company, an employee stock option scheme with a pool equivalent to 10% (ten percent) of the share capital on the completion of the Underlying Transaction, is proposed to be formulated with an exercise price subject to the floor price of ₹235/- (Indian Rupees Two Hundred and Thirty Five only) per employee stock option, to be implemented after such completion.
- 3.3.3 As on the date of this LOF, in terms of Regulation 25(2) of the SEBI (SAST) Regulations, the Acquirer and the PACs do not have any intention to alienate, whether by way of sale, lease, encumber or otherwise, any material assets of the Target Company or its subsidiaries, during the period of 2 (two) years from the completion of the Offer, except:
- (a) In the ordinary course of business;

HENCE, YOU SHOULD CONSULT WITH YOUR OWN TAX ADVISORS FOR THE TAX PROVISIONS APPLICABLE TO YOUR PARTICULAR CIRCUMSTANCES. THE LAW STATED BELOW IS AS PER THE INCOME-TAX ACT, 1961.**

- 9.1 Securities transaction tax will not be applicable to the Equity Shares accepted in this Offer.
- 9.2 The basis of charge of Indian income-tax depends upon the residential status of the taxpayer during a tax year. The Indian tax year runs from April 1 until March 31. A person who is an Indian tax resident is liable to income-tax in India on his/her worldwide income, subject to certain tax exemptions, which are provided under the Income Tax Act, 1961 (the "IT Act") as amended from time to time. A person who is treated as a non-resident for Indian income-tax purposes is generally subject to tax in India only on such person's India-sourced income (i.e., income which accrues or arises or is deemed to accrue or arise in India) as also income received by such person in India. In case of shares of a company, the source of income from shares will depend on the "situs" of such shares. As per judicial precedents, the "situs" of the shares is where a company is "incorporated" and where its shares can be transferred.
- 9.3 Accordingly, since the Target Company is incorporated in India, the Target Company's shares should be deemed to be "situated" in India and any gains arising to a non-resident on transfer of such shares should be taxable in India under the IT Act.
- 9.4 Further, the non-resident shareholder can avail beneficial treatment under the Double Taxation Avoidance Agreement ("DTAA") between India and the respective country of which the said shareholder is tax resident subject to satisfying relevant conditions including but not limited to (a) conditions (if any) present in the said DTAA read with the relevant provisions of the Multilateral Instrument ("MLI") as ratified by India with the respective country of which the said shareholder is a tax resident and (b) non-applicability of General Anti-Avoidance Rule ("GAAR") and (c) providing and maintaining necessary information and documents as prescribed under the IT Act.
- 9.5 The IT Act also provides for different income-tax regimes/rates applicable to the gains arising from the tendering of shares under the Offer, based on the period of holding, residential status, classification of the shareholder and nature of the income earned, etc.
- 9.6 The Eligible Public Shareholders may be required to undertake compliances such as filing an annual income tax return, as may be applicable to different categories of persons, with the income-tax authorities, reporting their income for the relevant year.
- 9.7 A summary of income-tax implications on tendering of listed equity shares is set out below. All references to equity shares herein refer to listed equity shares unless stated otherwise.
- 9.8 Gains arising from the transfer of equity shares may be treated either as "Capital Gains" or as "Business Income" for income-tax purposes, depending upon whether such equity shares were held as a capital asset or business asset (i.e. stock-in-trade).

- 9.9 The Income Tax Act also provides for different income-tax regimes/ rates applicable to the gains arising from the tendering of Equity Shares under the Open Offer, based on the period of holding, residential status, classification of the shareholder and nature of the income earned, etc.
- 9.10 Based on the provisions of the Income Tax Act, the shareholders would be required to file an annual income-tax return, as may be applicable to different category of persons, with the Indian income tax authorities, reporting their income for the financial year.
- 9.11 In case of resident shareholders: In absence of any specific provision under the Income Tax Act, the Acquirer shall not deduct tax on the consideration payable to resident shareholders pursuant to the Offer.
- 9.12 In case of Non-Resident Shareholders: Under the existing Indian tax laws, any gains paid to a non- resident is subject to deduction of tax at source, unless such gains which are exempt from tax. The Acquirer believes that its responsibility of withholding / discharge of the taxes or not due on such gains (if any) will solely be based on reliance on information provided by the custodians / authorized dealers / non-resident shareholders – with no recourse to the Acquirer or the PACs.
- 9.13 It is therefore important that the non-resident shareholders consult their custodians / authorized dealers/ tax advisors appropriately and immediately pay taxes in India (either through tax deduction at source or otherwise). In the event the Acquirer or the PACs are held liable for the tax liability of the shareholder, the same shall be to the account of the shareholder and to that extent the Acquirer or the PACs are entitled to be indemnified.

**ELIGIBLE PUBLIC SHAREHOLDERS ARE ADVISED TO CONSULT THEIR TAX ADVISORS FOR TAX TREATMENT ARISING OUT OF THE PROPOSED OFFER THROUGH TENDER OFFER AND APPROPRIATE COURSE OF ACTION THAT THEY SHOULD TAKE. THE ACQUIRER OR THE PACS DO NOT ACCEPT NOR HOLD ANY RESPONSIBILITY FOR ANY TAX LIABILITY ARISING TO ANY ELIGIBLE PUBLIC SHAREHOLDER AS A REASON OF THIS OFFER.**
